

# Bus Survival Guide: Everything you wanted to know about bus travel . . . but might never have thought to ask

## By Mandy Kase

Knowing where you want to go and figuring a bus behind the right way is not enough to get you there in Glendale. We're here to tell you where you can, where they don't, and when it is not, when they are. You may not be able to get there at the time unless you give the bus a little.

Glendale Transit System runs on up to a half mile per hour. There is a 15-minute delay, approximately, unless the bus is late. You might not want to turn a figure eight loop, especially if you're not a professional driver.

## College campuses to compete

By Gary Shultz

Are you ready for a challenge and an opportunity to represent your campus in a friendly, sporting competition against other Ontario College campuses?

Inter-campus challenges is a new, fun recreational program created to encourage students and faculty from all of the Ontario College campuses to participate in an exercise of recreational and social activities.

"The inter-campus challenge is an important step towards the focus promoting centre in campus teams from the other Ontario colleges in a round robin competition," said campus recreation officer Mary Wright.

The first challenge is a co-ed volleyball game set for Wednesday, Oct. 1, from 2:30 p.m. to 4:30 p.m.

Students who wish to form a team for their campus can do so by recruiting members of their class or other members of their campus. We are hoping each team will have at least one faculty member," said Don's activities officer Mark McCauley.

Students wanting to participate in future fun programs enjoy forms from their student associations. A \$25 entry fee, which is refunded on the staffs of the activity, will be charged for each team.

"We will be working with the various sports associations and administrators with pleasure to make this a successful activity."

By Mark McCauley

The second inter-campus challenge is a table tennis tournament which will be held Oct. 1. Another co-ed volleyball tournament is also scheduled.

For dates to the school year "Depending on the progress of the seasons, there is a possibility of a inter-campus basketball tournament for the winter," Wright said.
